## DETAILED ACTION

### ***Allowable Subject Matter***

1. Claims 1-12 and 14-33 are allowed.
2. The following is an examiner's statement of reasons for allowance: with regard to independent claims 1, 10, 14, 20 and 26 the prior art does not disclose nor suggest a method, system or article that establishes an interrogation zone using at least two signals operating at different frequencies, monitoring the interrogation zone to detect a plurality of security tags and determining whether to generate an alarm if a security tag is detected by receiving a third signal at a third frequency comprising a combination of the first and second signals and filtering the third signal to remove frequency components of only the first signal.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
